Chapter 156 To 160

Chapter 156

As she spoke, old lady Gu stood up with a cold face.

"I'm here to remind you not to think of fish eyes as pearls. When you come back with a shameless daughter-in-law, you will treasure her. "

"Thank you for your warning." "You just said that my daughter-in-law seduced your grandson," said old lady Gu in a cold voice

"Yes."

"Are you blind? Or cheeky! " "Just like your grandson, that's better than my son," said Mrs. Gu

"Sheng Xu, Sheng Xu, your grandson is playing with women all year round. His kidney is already weak. In this way, my daughter-in-law can see. "

"Don't put gold on your own face. I don't know that your Jiang family are shameless. They think it's the best in the world. Everyone has to hold on to you. Your grandson doesn't deserve to polish my son's shoes. " The more old lady Gu says, the more angry she is. Does the old lady of Jiang family think her grandson is a sweet cake?

Old lady Jiang's face turned white with rage as she said she was tense.

If someone else said so about the Jiang family, the old lady would have shaken her hands.

But Han Yan in front of her is better than her life. She married Gu Zhen and gave birth to Gu Mocheng.

These two people protect her. Who dares to move her in Ningcheng.

"Get out of here. Don't bite like a dog." Old lady Gu sneered that she was not afraid of old lady Jiang, who was trembling with anger.

"Han Yan, don't go too far."

After years of fighting with Han Yan, she was defeated.

Who is going too far? Ran to an an to hook up with her grandson, on her year-round play women play kidney deficiency grandson, an only despised.

It means that her grandson is interested in Ann and wants to start with her!

Old lady Gu smiled scornfully. She said to the two ladies who had just played mahjong with ANN, "let's continue to play mahjong."

Old Mrs. Jiang can't be offended, not to mention Mrs. Gu.

Around the guests began to spread, their chat and play, the whole Xiao family to restore the previous lively atmosphere. Mrs. Xiao, as the host, entertained old Mrs. Jiang with a smile.

Old lady Jiang snorted coldly. Suddenly she felt something wrong with her feet. She looked down and saw a dog staring at her.

A smell of urine rushed into her nose, and old lady Jiang saw her shoes wet.

When old lady Gu talked to her, Xiaobai peed at her feet.

"Beast." Old lady Jiang scolded. Before she could hit Xiaobai with her crutch, she ran to suan'an on the other side.

"Xiaobai." Su'an called out.

Old lady Jiang stared at suan'an and the white dog with cold face, which was the dead dog that had killed Sheng Xu of her family.

Suan or her family, she will definitely settle the debt.

"I have something to go first."

Old lady Jiang was told this by old lady Gu. She has no cheek to stay.

Get on the car and follow the man behind her to call out, "old lady."

"Last time things went wrong, this time I hope you will bring me back to Jiang's house." 

"Old lady, I can't find a chance to protect suan'an from the family."

Old Mrs. Jiang stared at him coldly and said, "waste!"

"I'll give you half a month. In half a month, you will send Suan to Sheng Xu's bed."

The old lady ordered that she should be angry when she thought of Han Yan's arrogance. She asked Han Yan and Gu Mocheng to know that they had offended Jiang's family.

After Mrs. Jiang left, Mrs. Gu was in no mood to continue playing mahjong.

She scolded the old woman named Jiang and left. She was happy that there were too many parties to have fun. Better go back to accompany the old man.

"Ann, let's go."

Su an an is struggling to tell Mrs Gu that she doesn't want to stay here.

When they came to the door of Xiao's house, they met Xiao Yan who came back.

Xiao Yan is woken up by Gu Mocheng's phone, but she is reluctant to leave Ruan Xiangyu Ruan. She is lingering with the beauty on the bed before she comes.

"Aunt Han." Xiao Yan called out.

Su An'an looks up at him, remembers that this is Xiao Yan.

Xiao Yan is so impressed because Su an hears Fu Xin's gossip about the relationship between Gu Mocheng and Xiao Yan.

Su'an then remembered that she had run into Gu Mocheng's car. She met Xiao Yan.

He won't recognize himself!

When Suan settled down, she was afraid and took a step towards old lady Gu.

Xiao Yan said hello to old lady Gu with a smile and looked at Su An'an. She thought she was familiar with her.

"Is this sister-in-law?"

As he spoke, he stepped forward and reached out.

His hand didn't reach suan'an, so he was beaten by old lady Gu.

"Don't touch my daughter-in-law." Old lady Gu said that Xiao Yan's reputation was so bad that she played with the little girl's feelings. Before she came to Xiao 's house for half a day, two little girls came to say they were pregnant with Xiao' s children.

Xiao Yan, such a big radish with a flower heart, has to keep an away from him.

"Aunt Han, Mocheng asked me to come here." Xiao Yan said with a smile, his natural peach blossom eyes, blinking when smiling makes people feel discharged.

With this face and these eyes, many girls are out there.

His flower heart is different from that of Jiang Shengxu.

He sleeps with other girls. It's your love. He pays for her to sleep with him.

When Jiang Shengxu saw one, he used all his means to give people up.

"Mo Cheng is afraid that Aunt Han will lose his wife." Xiao Yan said, looking at Su An'an, "little sister-in-law, my name is Xiao Yan, and I'm Gu Mocheng's brother."

Xiao Yan introduced and found that su'an was afraid of him and kept hiding behind old lady Gu.

Gu Mocheng has a good eye. Girls are really beautiful. But has he met anywhere?

"Sister in law, have we met?"

Yes, of course. She met him twice.

"What are you doing with my daughter-in-law?" Old lady Gu stopped Xiao Yan and said, "you dare to move your mind to An'an. I'll let Mo Cheng beat you."

"Wrong, aunt Han." Xiao Yan said with a smile, "I really seem to have met my sister-in-law somewhere. You can rest assured that it's not in bed."

This bastard! Old lady Gu didn't want to talk with him much, and took Suan's hand and left.

"Mo Cheng really is. Find him to take care of you. An'an, I tell you that Xiao Yan is not serious. You have to stay away from him. "

Su An'an nodded. Of course, she had to stay away from Xiao Yan, because he would find out that she was a girl who was racing with Gu Mocheng. She would die miserably then.

Xiao Yan watched old lady Gu and Su an leave. He still felt that Su an was familiar with her, but he could not remember where she had seen her.

There are too many girls to find. He has to remember them slowly.

It's better to check su'an's information. I can't remember where I met him.

When Xiao Yan was thinking about it, Mrs. Xiao came over and said, "little three, how can I stand here? Come here. "

Mrs. Xiao was very happy to see her son coming back.

He is the youngest son of the Xiao family, ranking the third.

Xiao Yan is used to it. He doesn't care what he says.

"This is Miss Ji. That's Chen's daughter." Mrs. Xiao and Xiao Yan introduced the girls present.

Xiao Yan said with a smile, "Mom, I dare not play around with these golden ladies."

They need money, or they need to borrow him, he played no responsibility. Different from these golden ladies, they all want to marry the Xiao family as his wife.

He can't get rid of the money if he accidentally makes people's stomachs bigger.

Chapter 157

"Who let you play?" Mrs. Xiao angrily beat Xiao Yan's hand. "It's for you to pick and see. Do you like it? If I like it, I'll ask your father to come and propose. "

"I'm thirty-one, and I don't know how to marry a wife. Look at Gu Mocheng and marry such a young and beautiful girl. "

"Mom, don't worry. I can marry you a little girl. I'm no older than Gu Mocheng." Xiao Yan said with a smile, and then he dodged, "Mom, I was so

tired last night. I went upstairs to have a rest."

"You stinky boy." Said Shaw angrily.

"Mom, you don't want your son to be tired. If you are tired, who will give you a son? " With that, Xiao Yan went upstairs to have a rest.

Mrs. Xiao looked at his back angrily. There was no way to take him.

She had three children. The first two were daughters. Xiao Yan was her youngest son and the only male in the Xiao family.

In the same way, the family dotes on Xiao Yan, and the two daughters love the younger brother even more. This kid knew to play outside and didn't want to marry him back. Although the family was in a hurry, no one could take him.

When they got into their car, she saw a woman reaching out of the window and pulling a girl out of the car.

The girl stepped on high heels and came out reluctantly. The woman scolded her coldly.

Suan recognized the girl as Fu Xin at once.

Why did Xiao Xin come to Xiao's?

Fu Xin was dragged out of the car by Fu Wan. "Mom, I don't want to go."

Fu Wan looked back and said in a low voice, "your uncle asked Mrs. Xiao for this invitation. How can I explain it to him if you don't go?"

As he said this, Fu Wan took Fu Xin and walked inside, "Xiao Xin, mom is for you. The strength of the Xiao family is stronger than that of the Lu

family. If you marry Xiao Yan, you will not worry about food and clothing in your life. "

Early in the morning, Fu Xin was pulled to the beauty salon by Fu Wan, and then he went to the mall to choose clothes. She hasn't heard of any recent banquets in the Lu family.

When she came to Xiao's house, Fu Xin knew that Fu Wan had dressed her up to make her be liked by Xiao Yan.

She doesn't like Xiao Yan's Playboy. She fooled around with women every day and got a lot of diseases.

"Mom, I'm still young and don't want to marry." Fu Xin said in a hurry.

It has something to do with her brother to marry her in such a hurry.

"Xiaoxin, you should know that Lu family can't support you for life." Fu Wan turned around and looked at Fu Xin carefully.

"Your uncle wants you to find a partner this year. If you can't get married, you should make a reservation first. My mother helped you to see the unmarried men in Ningcheng. I think the Xiao family is good. "

"Xiaoxin, you are obedient. Don't make it difficult for your mother to do it in Lujia." Fu Wan didn't say everything, but Fu Xin understood.

She knows that she can't stay in Lu's family forever, and that it's impossible for her to marry someone she likes.

"Go." Fu Wan said, dragging Fu Xin to Xiao's house.

Fu Xin didn't want to, but he still pulled Fu wan to Xiao's house.

Soon after su'an came back, Gu Mocheng came back early.

Seeing her son coming back so early, Mrs. Gu said unwillingly, "don't worry, I haven't sold your wife."

Gu Mocheng came back so early for fear that she would lose his wife.

"It doesn't mean that." Gu Mocheng said, when he came to suan'an, "did you have a good time? Have you been bullied? "

Gu Mocheng said "that's not interesting", but asked if su'an had been bullied.

"Hum." Old lady Gu gave a cold snort.

"No one dares to bully me when my mother is here." Suan replied.

"When I met old lady Jiang today, she said that my mother said that I was in cahoot with Jiang Shengxu." When su'an talks about the Xiao family.

After hearing this, Mrs. Gu "hum" again.

"Well." According to Gu, he reached out to su'an.

"You didn't see that old Mrs. Jiang's face was blue with anger from her mother." Said Suan with a smile.

Old lady Gu's bad Kung Fu is very powerful. Su an thinks she should learn from her.

"My mother scolded old lady Jiang so loudly that she didn't dare to ring."

"How can it be so powerful!" Su An'an praises old lady Gu. When old lady Gu hears this, she proudly hooks her lips.

"Beloved by my father." Gu Mocheng received him lightly.

There are Gu Zhen to support behind, who dares to contradict the old lady.

Old lady Jiang controls the power of the Jiang family, but she is afraid of Gu Zhen.

"Hum." Old lady Gu hummed again.

Su'an listened to the conversation between old lady Gu and Gu Mocheng and couldn't help but chuckle.

During this period, Gu Zhen just came out of the hospital, and Gu's wife and Gu Mocheng made him lie in the room more.

Gu Ziming thinks Gu's old house is boring. The main thing is that he is always scolded by Gu's wife in the old house. What's more, Gu Mocheng is also there. He is afraid of Gu Mocheng. So in the living room of the old house, Gu Mucheng and Su an are talking.

As they spoke, Gu's cell phone rang. Gu looked at the caller ID and said, "Xiao Yan's."

As he spoke, Gu took up his mobile phone and went to the side to answer the phone.

Old lady Gu said to su'an, "this Xiao Yan is a playboy. He plays with women every day, and sooner or later he will be in bed."

"Ann, you must stay away from him."

"Mom, I'm not going to be seduced by him." Su'an thought that old lady Gu was afraid of her cheating on Xiao Yan, and continued to explain.

Old lady Gu said, "I'm afraid you'll get sick if you get close to him."

"Ah!" Suan was puzzled.

"Women play a lot. They are dirty." Old lady Gu doesn't like men playing with women all day long.

She thinks that men should be like Gu Zhen and Gu Mocheng. No woman has to be as good as jade before. After marriage, they have to be more dedicated to their wives.

Xiao Yan said that it's romantic to be pleasant, but it's abusive to be unpleasant.

"Oh." Su an an nodded and didn't like Xiao Yan.

She saw the pictures of Xiaoyan holding a woman on the Internet every day before, and the women she held were different every time.

"Ma, is Xiaoyan and Mocheng in a good relationship?" Su An'an thought of Xiaoxin's "good friends" and asked old lady Gu in a low voice.

"They are of similar age. They played together when they were young, as well as Han longyi of the Han family."

"Oh." Su An'an responds. She turns her head and looks at Gu Mocheng

behind her. She whispers to the old lady and says, "Mom, Gu Mocheng and Xiao Yan are a couple on the Internet."

"Gu old lady Leng a few seconds, say," ramble

She then thought that Gu Mocheng was not close to women in the past few years. She thought that Gu Mocheng could not forget the woman ten years ago. Now she thinks that Gu Mocheng is so good to su'an, and that her son may have forgotten the woman.

"I'll say whatever I want." Su An'an is sure that Gu Mocheng likes women, but suddenly he thinks of gossip.

"Did Cheng really like Xiao Yan before?" Su'an said it casually, but old lady Gu thought of su'an's words.

All these years, Mo Cheng's friends are Han longyi and Xiao Yan.

Han longyi is normal. He has made several girlfriends seriously, but none of them has become a success.

Xiao Yan is very playful. Women change quickly. Such a person, old lady Gu, doesn't want Gu Mocheng to associate with him. She is afraid that Gu Mocheng will be damaged by Xiao Yan.

Gu Mocheng doesn't look for a girlfriend. She hopes Xiao Yan will bring her son down and find a woman outside.

"An'an, you are far away from Xiao Yan." When old lady Gu thought about it, she told su'an.

Chapter 158

"Let Mocheng stay away from him."

Old lady Gu stood up. She went upstairs to see Gu Zhen. When she left, she said, "this Xiao Yan will never find a good wife."

Gu Mocheng said that he would take su'an back to the Su family.

Although he and su'an did not get a license or have a formal wedding ceremony, he has treated su'an as his wife.

Su Hua is no longer good to su'an, but also her father. Gu Mocheng comes to her as her son-in-law. The most important thing is that he agrees to su'an and goes back to the Su family to help her bring Su ruocheu out.

This time, the Su family wanted to test Su Hua's Thoughts on Su ruocheu.

Su Hua is very happy to hear that Gu Mocheng is coming to Su's house for dinner.

Gu Mocheng invested a lot of money in his project. Because of Gu Mocheng's support, he threw the whole Su family into the project, and slowly came back from the loss before.

He is going to borrow money from the bank and invest a lot of money in the project. Then he wants Su an to talk with Gu Mocheng again and invest the second sum of money in Su Shi.

Now, Gu Mocheng says that when he comes to Su's home for dinner, how can su Hua be unhappy!

As for Gu Mocheng's coming to dinner, Jiang Mei is the most reluctant member of the Su family.

If it wasn't for Gu Mocheng, how could su Zihan and Mu's family get into such a relationship now.

Mujinyu went out of the hospital, Su Zihan also lived in the Mu family, but the relationship between the two was cold and stiff, Su Zihan saw him and quarreled.

Knowing that Gu Mocheng came to dinner, Jiang Mei received a call from Su Zihan.

Su Zihan and Mu Jinyu have just had a fight. They are used to quarreling. The Mu family dare not offend Su Zihan, but they turn a blind eye to Su Zihan. If they can ignore her, they will ignore her.

After quarreling with her, mujinyu left the house directly.

"Mom, mujinyu must be out looking for a woman." Su Zihan cried.

www.onlinefreenovels.com

Mujinyu's hand hasn't fully recovered yet. Su Zihan finds purple hair on him.

Her hair is black, so mujinyu looks for a woman outside.

"Su'an, it's the bitch su'an who killed me." Su Zihan said in hate.

Their Jiang family has never been the cause of things on their own, it must be someone else's problem.

"This evening, Suan comes to dinner with Gu Mocheng." Jiang Mei said that as soon as Su Hua received the phone call, he asked his servants to clean up and prepare food materials.

"Suan." Hearing the name of Su An'an, Su Zihan said hatefully.

Su'an comes to Su's home with Gu Mocheng. Su Hua must be fawning on su'an.

"Mom, are you riding on your head from suan'an? You don't mean to try to break them up. Why haven't you heard about their separation so far? " Asked Su Zihan.

Jiang Mei put her hopes on old lady Jiang, but after so long, she didn't hear about the accident in suan'an.

Isn't it because old Mrs. Jiang hasn't acted yet?

Jiang Mei thinks it's impossible. She knows her mother best.

Old Mrs. Jiang is partial to her grandson, and she will get revenge. How could she spare su'an.

"Zihan, don't worry." Said Jiang Mei.

"No, I'm going back to Su's house tonight. It's not good for su'an to die." Su Zihan hates su'an in his heart. Seeing su'an's good life, she hates even more.

"Zihan, don't come here." Said Jiang Mei.

Gu Mocheng and Laisu's family, Su Zihan can't take half of the advantage of su'an.

To separate su'an from Gu Mocheng is not necessarily to start with su'an, but to start with Gu Mocheng.

"Zihan, when you come, you will only be beaten by Gu Mocheng."

Listen to Jiang Mei say, Su Zihan think of the last ten palms, her face immediately fiery pain.

"Su'an snatches Gu Mocheng from your hands, and we can also snatch Gu Mocheng from her hands." Jiang Mei thought of the previous idea and raised her lips to sneer.

She has been trying to find someone to seduce Gu Mocheng, but she has no chance to start. It's a good opportunity for Gu Mocheng to come to the Su family this time.

But who?

Smaller than Suan, and more obedient and easy to control.

Jiang Mei thought of a person, the corner of the smile is stronger, she picked up the phone to make a phone call.

Knowing that Gu Mocheng went to the Su's house, Mrs. Gu immediately prepared many gifts for them. All she bought were valuables. Let the Su family know that they value their daughter-in-law very much.

Gu Mocheng and su'an set out from Gu's old house at 4:30 p.m. The old house is in the suburb. It takes an hour to get to Su's house.

They arrived at the door of Su's house. Just after getting off, su'an heard a shrill voice.

"Ann."

Suan turned around and saw a woman coming out of a BMW.

The woman has been dressed deliberately, with gold on her hands and a leather jacket on her shoulders. She looks like a lady, but she comes from the street. Su'an wondered why aunt Su came?

It was su Hua who called aunt su er.

Su Hua didn't like Uncle Su's family coming to his party because he thought aunt Su lost his face. But Jiang Mei often invites her to come.

Su An'an sees Su Ya coming down from the car again. She guesses that Jiang Mei called her.

Su Ya is dressed simply, wearing a white dress, standing behind su er's aunt timidly, which can make men have the desire to protect at a glance.

Su Ya is not as beautiful as Su An'an and Su Zihan, but when she cries, she always makes men pity her. www.onlinefreenovels.com

Su'an doesn't like Su ya, especially after knowing that she has moved her mind to Gu Mocheng.

"Hello, Mr. Gu." When Su Ya came out, she did not say hello to Su An'an, but said hello to Gu Mocheng first.

The soft voice annoyed Su an.

Suya didn't take her seriously.

"Honey, let's go in." Said Su an, clasping his arm to Mo Cheng.

Gu Mocheng ignores Su ya. He nods to Su an and they walk into Su's house.

Seeing that Gu Mocheng didn't take care of himself, Su Ya pales her face, and aunt su er comes to her and holds her hand. "Elegant, not urgent."

When Aunt Su said this, she let go of Suya's hand, and she went up to hold her hand.

"Ann, Auntie has something to say to you."

Su Anan saw the eye Gu Mo Cheng, indicated that he could solve, let him in first.

Gu Mocheng goes in and Suya follows him.

Aunt su er watched Gu Mocheng and Su ya go back and forth to Su's house. She raised her mouth and smiled.

"Second aunt, what do you want to say to me?" Asked Suan.

"Ann, he is Mr. Gu." Aunt Su asked, knowing this, when she got off the bus, she called Gu Mocheng "Mr Gu".

And Su Zihan's wedding has gone for so long. Aunt su er doesn't know that Gu Mo has grown up a pretty face.

"Yes." Suan replied.

"Ann, did what you said last count?"

Su'an is shocked. What did she say to Aunt su er.

What do you mean?

Looking at su'an's appearance, aunt Su knew that she had forgotten, and said, "last time, you said let Yaya and Mr. Gu."

"I'm going back to think that Mr. Gu is a little older, but he's very nice."

"And you don't dislike Mr. Gu. Elegance is your sister's share." Aunt Su said that she was stunned.

At Su's house, aunt Su asked her to introduce her to Su ya. She joked that she had let Su Ya follow Gu Mocheng.

At that time, aunt Su was disdainful, saying that her daughter would not follow Gu Mocheng.

At that time, I didn't know that Gu Mo grew up well.

Chapter 159

"But I remember that you refused at that time." Su'an returns, Su Ya wants to dream with Gu Mocheng!

How could she let her husband out.

"I don't know that YaYa likes Mr. Gu." Aunt Su said softly, "besides, you didn't say that Mr. Gu looks so good."

"She likes it, I have to give it to her."

Asked by suan'an, aunt Su is embarrassed. "An'an, I want you to give ya a chance."

"Yaya is your sister. The fat water doesn't flow into the fields. Isn't it good for you to bring Mr. Gu and Yaya together?"

"If a rich man doesn't have a woman outside, let Mr. Gu raise other women. Let Yaya help you."

Aunt Su's audacious words made her laugh. It was a good idea.

"The second aunt doesn't mind being elegant as a junior!"

Aunt Su was stunned. Of course she cared.

But she believed that her daughter could grasp Gu Mocheng's heart, and then she dumped Suan.

Not waiting for Aunt Su to speak, she took over with a smile. "Since aunt Su cares, she can't make ya a junior."

"Ann." Seeing su'an turning around and entering the door of Su's house, aunt su er hurriedly grabbed her hand.

"Yaya really likes Mr. Gu!"

Su'an took out her hand and said, "because your daughter likes it, I have to give her my husband."

What a joke!

Said Suan, and went straight in.

Aunt Su is in a hurry. She opens her hand to stop her. She sneers, "aunt Su, I've spent enough time with ya ya and Gu Mocheng."

"You think it's so easy to steal my man."

With that, Su an pushes aunt Su away and enters the Su family.

Su er's aunt stared at Su an's whereabouts angrily. Su Zihan could steal Mu Jinyu, and their family Ya could also steal Gu Mocheng from Su an's hands.

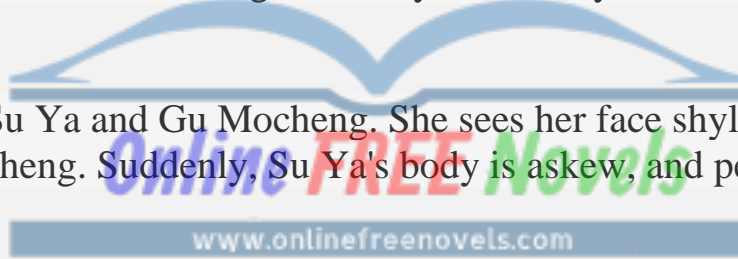

She received Jiang Mei's call to Su's home, and began to look bad at Gu Mocheng, even if Su Ya came back and said how good Gu Mocheng looked and how powerful she was.

I saw her just now. Aunt Su thinks her daughter has a vision. She immediately confirmed that Gu Mocheng was their son-in-law.

So now I decided to stop su'an and let ya ya and Gu Mocheng talk alone.

Aunt su er believes that her elegant family will surely be in love with Mo Cheng.

Su'an follows Su Ya and Gu Mocheng. She sees her face shyly walking beside Gu Mocheng. Suddenly, Su Ya's body is askew, and people rush to Gu Mocheng.

This trick?

Su An'an frowned, but she pretended to fall down, and then took the opportunity to let Gu Mocheng help her.

This is a very small move for suan'an.

"Husband!" She saw Suya fall to Gu Mocheng, and she immediately called out.

Gu Mo comes to avoid Su ya. He hears Su an's voice and turns around.

Suya didn't know that Gu Mocheng suddenly moved away. When she fell, she was caught by Gu Mocheng. Her people fell to the ground in a mess.

"Mr. Gu" raised her head, called softly, and tears came from her eyes.

Gu did not look at her, but went to suan'an.

"What's the matter, Ann?" Asked Gu Mocheng.

"These high heels hurt my heels." Su'an said that Gu Mocheng looked down at su'an's feet, but did not see that her heel was broken.

He looked at suan'an's cunning eyes again and understood what she was doing.

From suan'an, who was stopped by her second aunt, to Su ya, who followed her and talked to him from time to time, Gu Mocheng knew.

"Hold me, or I won't go." She said in a coquettish way.

Aunt su'er hurriedly came over and picked up the wronged Suya. She deliberately looked at them and smiled at them.

"Good!" Gu Mocheng smiles and hugs su'an to Su's house.

She walked past aunt su'er and Suya, and she gave them another smile.

Don't try to steal her husband!

When su'an and Gu Mocheng arrived at the gate of Su's family, Su Hua knew that they had come.

When he saw Gu Mocheng, Su Hua was shocked. He had not seen Gu Mocheng before.

How do you say this man is in his thirties? He is full of noble origins. At first sight, he knows that he was born in a rich family. He has been surrounded by stars since he was a child.

He inherited the advantages of Gu Zhen and Han Yan, especially Han Yan, who was the first beauty in Ningcheng. This face is enough to charm women.

"Mr. Gu." Su Hua pleasantly called out. He looked at Su an, who was led by Gu Mocheng.

It's really a mistake. Zihan thought Gu Mocheng was ugly after hearing the rumor. In addition, Zihan robbed su'an's fiance. She was very proud, so she didn't want to go home at all. Su An'an replaced Su Zihan. No one thought that Gu Mocheng was not ugly. Instead, he held Su an in the palm of his hand.

Looking at the happy Su An'an, Su Hua has several tastes in mind.

Since then, Suan has been protected. He doesn't know whether he is happy or unhappy.

"Dad." Su an gives Su Hua face and calls out.

When Su Hua was responding, he saw Su Ya who came in with su'an and Gu Mocheng, and then Aunt su er.

What happened to them?

This is his own family feast. He didn't even call Su Zihan and Mu Jinyu back for fear of making Gu Mocheng unhappy.

When Su Hua thought about it, he looked at Jiang Mei beside him.

Jiang Mei looks at Su An'an with a smile on her face. Aunt su er and Su Ya are called by her.

Su An'an is not taking advantage of Gu Mocheng's love and bullying her family Zihan. Then, she will find a younger girl than suan'an to seduce Gu Mocheng!

Wait for Gu Mocheng to dump su'an and see how arrogant su'an is.

"Jiang Mei." When Jiang Mei smiles smugly, Su Hua looks cold and calls.

"Get the tea." Suhua said to her with a light face.

How come aunt su er and Su ya? Su Hua knows what's going on from Jiang Mei's face.

What a stupid woman!

"Mr. Gu, please." Su Hua asked Gu Mocheng to sit down in the living room. This is his daughter's husband. But without Gu Mocheng's permission, he had to politely call "Mr Gu".

Jiang Mei brings tea from the kitchen. Her hatred for Su An'an is well concealed. She brings a cup of tea to Su An'an.

"Ann, be careful."

Jiang Mei's fake smile and flattering tone disgusted Su an.

No matter how well Jiang Mei conceals her hatred, su'an can still feel it.

Su ya, who has been standing in the living room staring at Gu Mocheng, should be invited by Jiang Mei.

"Dad, did you also order the two aunts for dinner today?" Suan said deliberately, "not only me and Mr. Gu?"

"Isn't it crowded?" Suhua didn't speak. Jiang Mei took it first.

Su Hua sinks his face and glances coldly at Jiang Mei, who is talking. "I didn't call them."

He said directly that he did not give Jiang Mei face.

Jiang Mei was stunned and smiled again. "It's like this. Before Zihan married Jinyu, she left some clothes for Zihan, and I asked her to come and take them."

"What a coincidence!" Said Suan with a smile.

Jiang Mei stood up, waved to Su Ya and said, "Ya Ya, I'll take you to get purple Han's clothes."

Su Ya's eyes have been on Gu Mocheng since she came in.

Chapter 160

Su ya really likes Gu Mocheng. She fell in love with him at first sight when she didn't know he was Gu Mocheng.

"Oh." Su Yaxin calls out absently.

Gu Mocheng's eyes fell on suan'an, and he could not see her.

"Ann, why don't you come up together. Many of Zihan's clothes have not been worn. You can pick out the right ones. " Jiang Mei said to su'an.

Su An'an looks at Gu Mocheng. She knows that Gu Mocheng has something to talk to Su Hua.

"I'll see. If you don't find the right one, you can buy it with me. "

In front of Jiang Mei and Su ya, su'an said in a soft voice.

Want to separate her and Gu Mocheng, dream!

"Good." Gu Mocheng smiles and answers.

Little girl, Gu Mocheng has seen through this thought for a long time. She likes acting, so he plays with her.

"Ann." When su'an stood up and left, Gu Mocheng reminded him, "you forgot something."

Su an an is puzzled, Gu Mocheng stands up, takes her hand, then kisses her forehead.

"Go."

In the face of so many people, Gu Mocheng kissed her, and su'an blushed when she settled down.

This show of love is too good!

Su Ya sees Gu Mocheng kissing Su An'an, and her hands cannot help clenching into fists. "Don't worry, Yaya," said Aunt su

"Ann, let's go." Jiang Mei, who came to the stairway, also saw it. She called with a pale face.

Su An'an followed them to the second floor. Su Hua said to Gu Mocheng with a smile, "Mr. Gu is very kind to An'an."

"Well." "She's my wife," Gu said

He said it with a smile on the corner of his mouth.

That smile is from the heart.

Su Hua suddenly felt that his daughter had left, and his feelings for Su An'an were complicated.

When su'an just came out, he could not help holding it. He liked Su ruocheu as much as he did, even more.

However, when he decided to pamper the daughter, he had a big fight with his wife. Seeing suan'an again, he thought of his wife's words when he listened to her cry. He wanted to hug her and then he didn't hug her.

After his wife's death, he became more and more indifferent to suan'an. He did not regard her as his daughter, but as a chess piece, a hindrance.

Now I see that su'an is suffering from Gu Mocheng's pain, but there is a feeling of daughter's marriage.

"Thank you, Mr. Gu, for taking care of ANN." Su Hua said with a smile.

Like his feelings for Su An'an, Su Hua is very complicated. It can even be said that after his ex-wife died, he became a little sick.

Su An'an followed Jiang Mei up the stairs, she was very clear, Jiang Mei they called themselves up, not to give purple Han clothes to her, but other things.

"Auntie, I can't wear purple Han's clothes." Said Suan on purpose.

She is higher than Su Zihan, Su Zihan's clothes, she is not suitable for wearing.

"It's still for Yaya, who prefers to wear old clothes."

Aunt su er is happily looking for good-looking clothes for Su Ya in Su Zihan's wardrobe. When she hears Su an's words, she goes to tear aunt su er's eyes.

"Mom, I don't want these clothes."

She and Su An'an, Su Zihan are all people of the Su family, but the treatment is very different.

Su Zihan married into the Mu family, su'an followed Gu Mocheng, and she was dragged by her mother to the party again and again, hoping to take the opportunity to meet the powerful and marry into the powerful.

Seeing that her baby daughter was wronged, aunt Su said angrily, "An'an, what's wrong with our elegant family?"

"I'm jealous of our elegance."

"Ann." Su An'an didn't reply. Jiang Mei said aloud, "if Zihan has good things, she will think of Yaya. You and Yaya are sisters, and you have to share the good things."

Su'an heard the meaning of this sentence.

Jiang Mei turns the corner and tells aunt su er and Su ya to let Su an an share Gu Mocheng.

"Well, my aunt has a point."

Su'an is so obedient and makes aunt Su happy.

"Ann, what aunt two said to you just now, you think about it."

"We are all for your good, for the good of the Su family."

Su An'an has never seen such a bold and shameless person. He wants to rob her husband and says it's for her good.

"Ann, you can't control a man like Gu Mocheng. He loves you now, and doesn't necessarily like other women in the back."

"Like flowers, women are easy to wither. When you are old, Gu Mo is looking for a younger girl outside." Jiang Mei said with a smile, "I think elegant is good."

"My aunt made a lot of sense." Not waiting for Jiang Mei to finish what she said later, su'an nodded and said, "Zihan elder sister is older than us. Mujinyu is sure to find a woman outside later. Let Yaya follow mujinyu, so as to help Zihan elder sister catch mujinyu's heart, which is very helpful to our Su family."What Jiang Mei said is not mu Jinyu, but Gu Mocheng.

After hearing su'an's words, the three of them all looked cold.

Aunt Su didn't want to change Gu Mo into Mu Jinyu.

That Mu Jinyu back Su An'an and Su Zihan engage in, if elegant with him, how can have a good life? Besides, a Mojia is no match for a family.

"We don't want elegant men like Mu Jinyu." Aunt Su said directly.

She despises Mu Jinyu in front of Jiang Mei, which makes Jiang Mei sink.

Su Ya hurriedly pulls aunt Su's sleeve, "Mom."

"Brother Jinyu and sister Zihan love each other so much, how can I destroy their feelings?" Said Suya.

"Oh." Su'an said meaningfully that Mu Jinyu and Su Zihan love each other. She is not easy to destroy. So she and Gu Mocheng are also in love. How could she rob them?

"An'an, Mr. Gu is a man who is not easy to control. Your feelings with Mr. Gu are not as deep as those of Zihan and Jinyu. I and your two aunts are all for you, afraid that you will be wronged in the future. " Jiang Mei said that she described herself as a good stepmother who was devoted to Su An'an's consideration.

"Is it?" Said Suan, leaning against the wall, dismissively.

"Auntie and second aunt are very kind to me."

Aunt su er has no patience with Jiang Mei. Now the four of them are in the same room. Su Hua and Gu Mocheng are not in the room. Aunt su er is not afraid of being spicy, and she is thinking about her elegance.

"Ann, we are all for you. Your grandmother knows about it. She's in favor of

it. " Aunt Su's old lady, who moved out of the Su family, came to suppress su'an.

Su'an is not afraid of Su Hua. Is she afraid of an old woman?

She thinks it's really funny. In the past, when mujinyu was the scum man, Su Zihan wanted to, Su Hua forced her with her sister to let mujinyu out.

Now it's Gu Mocheng.

Gu Mocheng, she won't let it!

Gu Mocheng is her husband, the man she loves. Is she stupid or crazy? Give such a good man to Suya!

"You don't have a bad brain." Said Suan ironically.

"Gu Mocheng is my husband, he is not a thing."

She said, looking at the same little white flower standing behind aunt su er wrongly, "besides, Su Ya is so beautiful, you can see her when my husband is blind?"

In a word, aunt su er's face turned blue with anger. In her heart, Su Ya is the best.

Now su'an obviously looks down on Su ya. How can aunt Su bear it.

"Su An'an, if you don't give it to Yaya, you have to let it!" Aunt Su said angrily, "if you don't let it, let your grandma tell you."
